

Ruth's Directions from East:

Take 195 and get off at first exit in Providence: Gano Street. At bottom of ramp, go Right. Go through the first light up the hill to next light on Pitman St. Continue on Gano past next 2 lights (Waterman and Angell). Gano is now called Taber St. (no reason for this!). Continue on Taber to Lloyd Avenue (stop sign); make a left on Lloyd and go 2 blocks - entrance to Moses Brown is through the double gates on Lloyd, or continue to corner of Lloyd and Hope, make a Right, and enter Moses Brown through those gates.
